

**Note: This is June's complete write-up. I have left in my notes since it is a working document. Disregard any red or blue text on this document only, the colored text is for me to identify where to put links as I build updates on the Miss June's site. Blue text on the site is ALWAYS a link to click on and the red text on the site is an important note**

## Welcome to 'This Is Your Musical Life, Miss June'

### June Webb's Music Career Told In Music, Photos and Videos

Along the way Miss June will share a few stories too ... uh, don't expect any saga's or standup routines; remember she is a lady of few words under normal circumstances ... and even more so when it comes to telling Miss June stories due to her very impressive humbleness. Nonetheless, she has had a wonderful musical ride and she will share some great experiences with us.

This format will be heavy on music, videos and photos and short on text. The story can be read by **clicking on Miss June's photo or ?**

Now, let's play out June's country music career ... though you have seen and read and heard much about it over the years on this site, this is the first time we have put it into perspective; we hope you enjoy it.
